ABOUT ME

Motivated architect bringing one year of practical experience across several complex projects. A motivated architect with one year of professional experience contributing to the design and delivery of complex projects. Combines creative design thinking with technical precision, with a strong focus on sustainable and user-centric environments. Detail-oriented and quality-driven, with the ability to collaborate effectively within multidisciplinary teams to resolve design challenges. Seeking opportunities to add value while continuing to grow professionally and expand architectural expertise.

PROFESSIONAL EXPERIENCE

Junior Architect at CHARANKATTU BUILDERS PVT. LTD.
Kochi, India Dec 2024 – Present

- ◇ Responsibilities include client coordination, technical drawing, interior and exterior design development.
- ◇ Overseeing site execution to ensure design fidelity.

3D Visualizer at NATIONAL IN-EXTERIOS
Kochi, India Nov 2023 – Nov 2024

- ◇ Active role in interior design as well as project execution.
- ◇ Contributed for commercial as well as residential projects.

Architect Intern at MAKE.INC
Kochi, India Jun 2023 – Oct 2023

- ◇ Active role in commercial and residential projects from design stage to execution.
- ◇ Contributed to design evolution, presentation, technical drawing, model making, and collaboration with clients.

SELECTED PROJECTS

Hope – Tropical residence, Alleppey, Kerala Jun 2024 – Jun 2025

- ◇ Led architectural design development for a 1600 sq. ft. residential project from concept design to project handover.
- ◇ Produced construction documentation, including architectural drawings, working drawings, and interior layouts in compliance with project requirements.
- ◇ Coordinated on-site execution, ensuring adherence to drawings, specifications, materials, and quality standards for timely project delivery.

Aquatic life centre in Kochi, Kerala Apr 2024 – Sep 2024

- ◇ Conducted comprehensive site analysis and feasibility studies, including environmental, climatic, and contextual assessment.
- ◇ Developed conceptual design strategies and master plan integrating sustainability principles, public circulation planning, and environmental responsiveness.

Uyare – CIAL aerocity in Kochi, Kerala Nov 2023 – Mar 2024

- ◇ Assisted in water sensitivity zoning and transit-oriented development planning.
- ◇ Developed commercial space design concepts and revised road network system to improve traffic flow and connectivity.
