**SHAHEER ABBAS**

CO-FOUNDER / PLANNING HEAD

**PARVIS SALIM**

CO-FOUNDER / PRINCIPAL ARCHITECT

**AJMAL HAQUE**

CO-FOUNDER / PRINCIPAL ARCHITECT

A spirited academician and learner, Shaheer began his journey in 2008 completing his bachelors. After working in various cities in India he started own practice 2014. He has his merit a master's degree in environmental architecture. Also, an IGBC Accredited Professional he is extending expertise in Green and Sustainable Architecture. As an Academician and practitioner, he is sharing his thoughts and knowledge in various realms of People and Architecture.

Passionate about design, he has been actively involved in the process of design and creation with various leading firms and organizations of a broad spectrum since 2012. His past experiences have made him resourceful in the process of design evolution, material selection and project execution. His core lies in Interior and product design.

Ardent and focused, he was determined to be an architect at a young age and has fought his way through all the challenges to reach where he is today. After receiving training from an award winning practice, He has been pursuing his own practice since 2014, He has to his credit both local and international projects. His instinct for creation is tempered by real world experiences of design and supervision of a variety of projects.
